This training is intended for gifted education coordinators, specialists, and those with responsibility for planning school services for gifted students. At the time of registration, each attendee may also register one SPED or general ed classroom teacher to attend with them as a guest free of charge. (To add a guest after you have registered, or to make changes to your guest registration, please email info@mcgt.net).

8 hours of CEUs from either the Minnesota Department of Education or the Nebraska Department of Education will be emailed to attendees following the final session.

Description: Gifted children with disabilities are often confusing and confounding to themselves and others. This webinar series explores twice-exceptional children from diverse viewpoints: their characteristics and needs, educational strategies, mental health supports, and collaboration approaches. Participants in this series will leave with practical, evidence-based strategies that allow them to advocate for and support these complex learners.

Session 1: What is a Twice-Exceptional Child?

Session 2: How Do We Educate Twice-Exceptional Children?

Session 3: How Can We Support the Mental Health of Twice-Exceptional Children?

Session 4: How Can Teachers, Parents, and Educational Systems Collaborate to Help Twice-Exceptional Children?

Fee for Series: \$50.00, \$10 invoicing fee applies to all invoices
